

Broadband Service Inventory by Platform

Advertised Speeds of at Least
10 Mbps Downstream
and 1 Mbps Upstream

Benzie County
Michigan

Published
September 29, 2016

Data displayed on this map is developed from a combination of direct provider outreach and data collection, FCC Form 477 filings, State Broadband Initiative datasets, and independent research conducted by Connect Michigan. As such, broadband availability at an exact address location cannot be guaranteed. Satellite broadband services may also be available.
